Theres more :)

I want to thank every staff member that works there.

Tessie - every morning you make sure Tyler is ready for school on time. This was always a struggle. You have made sure every morning he is ready and on time. I thank you every day for doing.

Clinton - you always make sure my son is ready in morning. I thank you every day for doing this.

Comfort - you are the cleanest person ever. You're a great cook. Every day you are warm and friendly and love talking to you! I thank you every day for doing this.

Andre - you make me and my son laugh every day. I think you have helped instilled some very positive male influences in my son. Really enjoy when you take him on outing. I thank you every day for doing this.

Stanley - you always have a smile on your face and friendly towards me and my son. I thank you every day for doing this.

Verny - At the BBQ - I was with my son you noticed was wandering to far away you had yr eyes on him pretty much the whole time there. I was really impressed. I thank you every day for doing this.

Calra- you are always warm and friendly towards Tyler I saw how you encourage with laundry / carrying in food.

Ms. Lori - where would I even begin? :) You keep things in check every day - You keep me grounded on very many levels. I thank you for this every day.

Linda - you are very kind and I thank you for this every day.

Darryall - you took my son to a recording studio this was probably the biggest and one of the best experiences for Tyler ever. I thank you every day for doing this.

Ungie - you are very funny and always so happy. I thank you for this every day.

Dawn - you are very up front and encouraging. I thank you for this every day.

Bryant - Again where would I even begin? I thank you for this every day.

I'm working with Tyler to make many big difficult changes in the upcoming year. Every person in that has helped my son stay safe happy and have major impacts on his life. I thank everyone there every day.
